Can I get a refund on Skyscanner?

To understand refunds +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], it is important to first understand what Skyscanner actually does. Skyscanner is a travel search engine that collects flight +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], hotel +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], and car rental options from multiple airlines and online travel agencies. When you choose a deal +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], you are redirected to the airline or third-party provider's website to complete your booking.

This means your booking is not technically made with Skyscanner. Instead +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], it is made with the airline or travel agency you selected during checkout. Because of this structure +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], Skyscanner does not handle payments or ticket ownership directly.

So when it comes to refunds +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], Skyscanner is not the authority that approves or denies your refund request. The actual refund policy depends entirely on the airline or travel agency that issued your ticket.

Can You Get a Refund on Skyscanner Bookings?

The simple answer is: yes +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], but not directly from Skyscanner.

If you booked a refundable ticket through a provider listed on Skyscanner +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], then you may be eligible for a refund. However +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], if the ticket is non-refundable +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], then you likely will not receive your money back unless specific exceptions apply.

Refund eligibility usually depends on the following factors:

The type of fare you purchased plays a major role. Many budget tickets are non-refundable +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], while flexible or premium fares may allow cancellations.

The airline or travel agency's cancellation policy also determines whether refunds are allowed. Some providers offer partial refunds +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], travel credits +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], or no refunds at all.

The timing of your cancellation matters. Canceling within 24 hours of booking may sometimes qualify for a full refund depending on the airline's rules +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], especially in the USA.

So while Skyscanner helps you find travel deals +1 (877) 407 (0186) [US] or +44 (808) 164 (2787) [UK], it does not control refund rules.

Who Should You Contact for a Refund?
